

Architectural cross-section drawing of a three-story building. The drawing shows the roof structure with a 22° pitch, exterior walls, and interior floors. Key areas include the 'Treppenraum / Flur' (staircase/hallway) on the top floor, 'Eingangshalle' (entrance hall) on the middle floor, and 'Flur' (hallway) on the ground floor. A staircase labeled 'TRH' (Treppe) leads from the ground floor to the top floor. Various construction details are noted, such as 'Trockenbauwand F30' (dry construction wall F30), 'Abbruch Wand' (demolition wall), and 'Schulsozialarbeit' (school social work). Dimensions for floor levels, wall heights, and room heights are provided. The drawing is oriented with North at the top.

The architectural drawing shows a floor plan of a school building with three levels: Obergeschoss (OG), Erdgeschoss (EG), and Untergeschoss (UG). The plan includes classrooms (Klasse), a workshop (Werkstatt), a storage room (Lager), a technical room (Heizraum Technik), a common room (Vereins-Probenraum), a staircase (Treppenhaus), and restrooms (WC, WC Mädchen). A detailed structural section on the right shows the roof structure with trusses and rafters, and the floor construction details for the ground floor (OG) and basement (UG). The section includes dimensions for room heights and floor levels.
